Sports Medicine Service

**The UK's Leading Sports Medicine
Partner for Schools**

The UK's Leading Sports Medicine Partner for Schools

Who are we?

Return2Play* is the UK's leading sports medicine provider for schools, with a range of services available.

Our Sports Medicine Service combines our intimate knowledge and experience of how schools work with our medical expertise.

We work with schools to create their ideal, bespoke medical package that best supports their sports programme.

*Return2Play is part of Meliora Medical Group.

The UK's Leading Sports Medicine Partner for Schools

What do we do?

Our Sports Medicine service is tailored to each school based on their needs. This service includes, but is not limited to, these 5 areas:

Sports Doctor

- Weekly (term-time) sports doctor clinic seeing all concussions and any referrals from the physiotherapist and the medical team.
- Direct point of contact for the medical team for advice.
- Contribute/advise on policies and procedures relating to sports medicine.
- Lead the sports injury multidisciplinary team (doctor, medical centre, physio, S&C and sports department).
- Work with the School physiotherapist* to ensure a smooth pathway from assessment, rehabilitation and return to play.

*We are able to work with the school to appoint a physiotherapy partner.

The UK's Leading Sports Medicine Partner for Schools

What do we do?

Match-Day Medical Care

- Pre-hospital-care trained doctor to lead the pitch-side medical team and run a post-match injury clinic.
- Provision for tournaments and festivals can be separately arranged.

Sports Injury Education

- Educational sessions for staff, parents and pupils.

Telemedicine Concussion Management

- In addition to weekly at-school clinics, pupils have access to online clinics run 7 days-a-week in term time and school holidays. Our doctors are made up of the UK's leading concussion experts who also work in elite sport at Saracens, Harlequins, London Irish and more.
- Sports Doctor led management from Day 1 post-injury until fully recovered with unlimited access to as many appointments as they need.

What do we do?

Injury Data Analysis

- Annual injury review led by the Return2Play Medical Team.
- Advice regarding injury prevention strategies and policy updates.

R2P Injury Management System

- Red/Amber/Green injury dashboard.
- Automated communication to relevant staff, parents and pupils when an injury status changes.
- Appointment booking functionality.
- Audit trail of all pupil injuries and treatment.
- Integrations with iSAMS, SOCS and Wonde.

What do our Partners say about us?

"Partnering with Return2Play enhances the safety and welfare of our pupils. I commend it to you without hesitation".

Deputy Head, Trinity School

"Return2Play do a fantastic job managing all of our sports medicine services at Harrow. Couldn't be happier."

Head of Rugby, Harrow School

"Fantastic service - excellent people and resources that has enabled us as a school to manage concussions and injuries with ease and peace of mind for all parties - students, staff and parents."

Medical Team, Haileybury College

"Return2Play has helped us manage pupil injuries safely from the point of injury to their return to sport. It's been a weight off our shoulders as we trust the medical professionals to make decisions for us."

Director of Sport, Latymer Upper School
