

Physiotherapy Services.

Redefining the gold-standard for school physiotherapy.

Ensuring a seamless journey from point of injury to a pupil's safe return to sports. Integrating Return2Play's physiotherapy services brings significant value to schools by fostering the overall health, well-being, and performance of their pupils.

Clinics for early assessment of **acute musculoskeletal injuries**

Liaising with medical and sports teams about recovery time-frames and plans

Student-centric management of ongoing and **chronic injuries**

Return to play assessments

Access and treatment for staff and family members

Rapid Access and **Private** clinics available at potentially no cost to the school

Standalone service or can be integrated with Return2Play's other services
